

## **DISCLAIMER: Second-Hand Plant Condition and Safety**

This document is Jungheinrich Australia Pty Ltd's (**Jungheinrich**) official notice that the second-hand plant offered for sale through this transaction (direct sale or auction) may contain faults or deficiencies that could pose risks to health and safety.

### **Important Information**

#### **Safety & Compliance of the Plant**

Given the plant is second-hand, please be aware it may include wear and tear, or be missing safety features that were not present or required at the time of original manufacture.

Jungheinrich has taken all reasonably practicable steps to identify any faults in the plant. The **enclosed** Condition Report sets out the current condition of this plant, including any identified faults.

While all efforts have been made to identify faults, there may be other faults present that did not show up at time of inspection

#### **Operational Safety Notice**

The plant should not be used until all identified faults have been rectified and the equipment is deemed safe for operation.

It is the responsibility of the purchaser to ensure that the plant is inspected, serviced, and, if necessary, modified to meet current safety standards before use.

By participating in this sale and purchasing the second-hand plant, the purchaser acknowledges receipt of this notice and accepts full responsibility for ensuring the plant is safe for use.

#### **Operating condition of the plant**

Note: this condition report is a safety report only and does not represent overall appearance or operating condition of the plant

For any questions please contact Jungheinrich
