

Coates Hire Pre Divestment Inspection Checklist
Scissor Lift (Electric or Internal Combustion)

Description Scissor 32E Asset # S32387 Service Job # _____

This checklist is a record of a visual inspection which identifies defects reasonably known to Coates at the time. It should only be used as a guide. The buyer should rely on their own inspection and assessment of the equipment. The equipment is used and sold as is. Coates does not warrant that the equipment is new, fit for purpose, of merchantable quality, free from defects in materials and workmanship, or complies with all relevant laws, Australian Standards, licence or permit requirements. Nothing herein shall limit those provisions of the Competition and Consumer Act 2010, nor statutes, rules or regulations from time to time in force in Australia which imply certain conditions or warranties or impose obligations on Coates which conditions, warranties and obligations cannot, or cannot to a limited extent be excluded, restricted or modified. The Coates Hire Used Equipment Terms and Conditions of Sale apply to the sale of all used equipment and this checklist should be read in conjunction with these terms which are available upon request or at www.coateshire.com.au.
