### Features

### Benefits

#### Smooth One Piece Black Glass Hob Design

The smooth one piece hob with European inspired Black Glass design makes it both elegant in appearance and easy to maintain.

#### Cast Iron Trivets

Complimenting the robust construction of the stainless steel unit, whilst providing a non-slip surface for pots and pans.

#### High Performance Burners with 17Mj Wok burner

High quality burners provide even heat distribution for great cooking results, whilst the 17Mj Wok burner offers powerful cooking for dishes such as stir-frying.

#### Automatic Ignition

Ease of operation, no need for manual ignition, simply twist the knob and the gas connection ignites.

#### Front Control Operation

Added safety while cooking, as there is no need to lean over a naked flame to operate the controls.

#### Flame Failure

Extra safety in the kitchen offering peace of mind, the gas will shut off when there is no continuous flame.

#### Available in Natural Gas or Propane

The cooktop is supplied adjusted for natural gas installation, however can be converted for propane application (conversion kit supplied).
