VIN: WAUZZZ8T6AA062530

Model: A5 B8

Model year: 2010

Repair status: Completed

Affected Vehicle Completed

The 2010 Audi A5 B8 with Vehicle Identification Number WAUZZZ8T6AA062530 is affected by the Takata Airbag Safety Recall. The recall has now been **completed**. The affected Takata Airbag Inflator has been replaced and does not require future replacements.

The information provided on this page reflects the information contained within Audi's records as at 08/08/2022, 10.58 AM. If your vehicle was privately imported, you should call the Audi Takata Information Line on 1800 856 770 to verify whether your vehicle is affected. Please also note that a vehicle which has had its affected airbag replaced will not show as "completed" until the dealer has recorded the action in Audi's system.
