

# Touch Bin

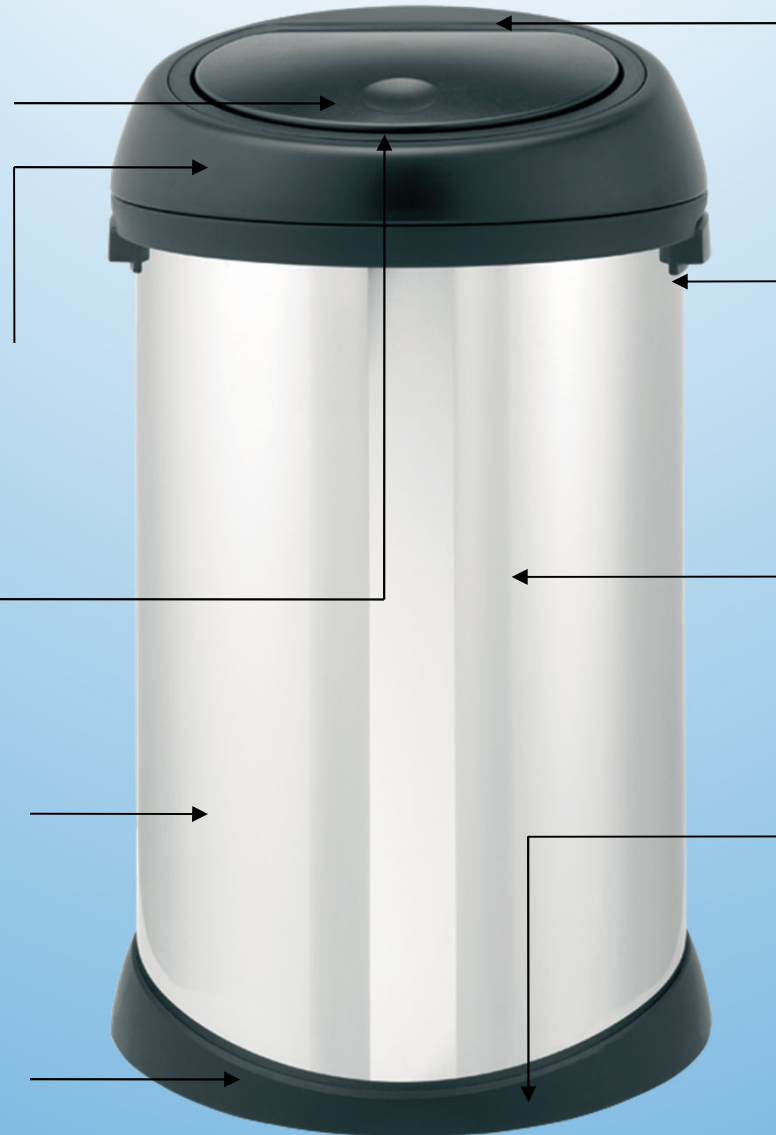

Brabantia 'soft-touch' closure  
– lid opens silently with one touch

Removable, steel lid unit – bin liners easy to change

Extra large opening (265 mm diameter) - empty a dustpan without spilling!

10 year guarantee

Non slip base – Touch Bin® does not slide around, even on wet or polished floors

Damped hinge design – bin opens and closes silent and smooth

Sturdy carrying handles – Touch Bin® easy to move around – even full

Matching Brabantia bin liners available with tie-tapes – easy change and always a neat and tidy look

Plastic protection rim – less chance of damage to the surface
